The theme of our International President Dr. Glenda Glover's Administration for 2018 - 2022, "*Exemplifying Excellence Through Sustainable Service.*SM" our call to *Action our call to Service* which provides us with an opportunity to further address community needs with programs in five target areas - HBCU 4 Life, Women's Healthcare and Wellness, Building Your Economic Legacy, The Arts! and Global Impact. Tau Omega promotes and delivers local and international service programs through awareness, advocacy and action.

As the President of Tau Omega I am especially honored to have the opportunity to serve in the Harlem community of which I am a native. Through our target program initiatives we are in a unique position to make a positive impact on the lives of those who we serve as we exemplify excellence through sustainable service. Greetings Alpha Kappa Alpha Sorority, Inc., Tau Omega Chapter:

I am elated to congratulate you on the occasion of the Resilience with a Purpose virtual gala and related activities that the Tau Omega Chapter, Alpha Kappa Alpha Sorority, Inc. is hosting in concert with The Tau Omega Charitable Trust Fund. As evidenced by this festive virtual gala, you are rising to the occasion to meet the needs of the community in spite of the challenging pandemic restrictions. Your resilience is shown with the digital journal, the online peer to peer fundraising, and the silent auction. All of which I am sure will lead to exceeding your fundraising goals.

I applaud the sorority members and the community who have come out in support of this worthy event. I take that presence as a vote of confidence for the good work done by Tau Omega Chapter and the Tau Omega Charitable Trust Fund. Your service is seen in the scholarship recipients, the community-based organizations whose work you support, and in your honoring of our frontline heroes by providing meals. And these are just a few examples of your work.

Tau Omega has been a beacon in the North Atlantic Region. I look forward to hearing you tell your story- a story that is steeped in a rich history since 1925. And in doing so, you shine a light on the values of our sisterhood. In the words of your president, Michelle Hardy, "AKAs are resilient. We rise to the occasion and we're unstoppable." This virtual gala shows that Tau Omega Chapter and the Tau Omega Charitable Trust Fund are unstoppable. You rise in spite of circumstances that might stop others. I am inspired by your commitment to service and the excellence you have achieved with sustainable service. All the best for what I know will be a successful event.

Yours in the Sisterhood,

Mary Bentley LaMar

NORTH ATLANTIC REGIONAL DIRECTOR

Committee Chairmen Greetings

Greetings! This past year has taught us that strength and resilience is in the heart of us all, whether we recognize it or not. Through the losses and the heartache, we have managed to come out on the other side to see a brighter future ahead. Even with the hurdles that were propelled our way and the shift that the pandemic created for us all, The Charitable Trust and Tau Omega Chapter were able to pivot from our usual fundraising event to a Virtual Gala and make the fundraising campaign a huge success!

The Virtual Gala, Resilience With A Purpose, is The Tau Omega Charitable Trust Fund, Incorporated and Tau Omega Chapter of Alpha Kappa Alpha Sorority, Inc. collaboration to raise funds. The proceeds will provide services to support the endeavors of community-based organizations; encourage the growth of young people through mentoring and financial support of their educational endeavors with the award of scholarships; and support our organizations program implementation. Because of supporters like you, we are able to continue to provide these services! The Fundraising Committee, is sincerely thankful for your support of our endeavors through the years. Also, as Co-Chairmen of the Committee we thank all who worked tirelessly over the last several months to bring our plans to fruition. We are touched by your dedication and we couldn't have done it without you.

Sincerely,
Wendy P. Malliet
